## HAYMAN CONSTRUCTION INC.

Peter Hayman

Peter, we appreciate the work Hayman has done during the duration of the project and realize it was a new and challenging project. One which had uncertainty in design and build due to the nature and uniqueness of a modern hatchery.

We are pleased with the final build and look forward to future opportunities together.

Thanks again for a job well done!

Regards,

A handwritten signature in blue ink, appearing to read "Scott", with a long horizontal flourish extending to the right.
